WM. HUTCHINSON. Letter from Mr. Slater.

Sr. Louis, Feb. 7, '57. spring and summer will be large. The Missouri river route will be the cheapest and most expeditious, and I have slavery; and it is to the interest of common carriers, as well as merchants, to know no political principles

in business transactions. I will say nothing of the past only in reference to my transactions while He commenced by saying, we have acting as Agent of the Emigrant Aid Company, during which time not a company of emigrants, or a package false, unless there are errors in the of goods, has been detained or molesbook of receipts, as kept by the clerk ted on the way, which were directly under my management, except a Picopied entire up to the time I left, and ano Forte, which was opened at Kansas City, it being supposed that it con-tained implements of war. All of my transactions have been open and above board, while any Commission and Forwarding Merchant in this city

would have done the same. To notice anything in the Missouri Republican which favors emigration to Kansas from all parts of the United States, based upon an equal footing, coming from free or slave States, affords me pleasure.

The enclosed editorial from the Re-

publican, of Feb. 1st., please insert in the Herald of Freedom, and oblige. Yours, respectfully, B. SLATER.

Extract of a Letter from Mr. Arny. WASHINGTON CITY, Jan. 21, '57.

G. W. BROWN, Esq. - DEAR SIR .-I have obtained from the Smithsonian Institution an order on Mr. Green, of New York, for a full set of Meteree logical instruments, which I will endeavor to bring out to Lawrence with me when I come, the beginning of February. And when our College is established they will be placed there so as to have correct observations, to be reported to the Smithsonian Insti-

gone, and the weather appears like
